SLIM LINE

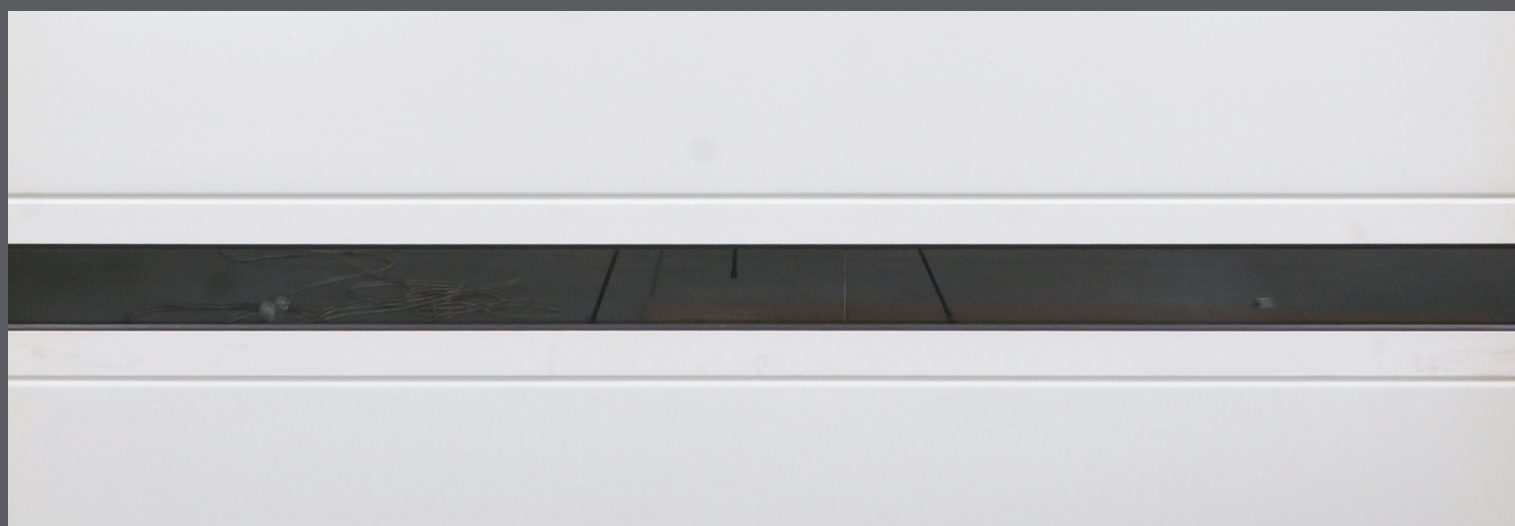

DESIGNED AND CONSTRUCTED FOR COZINESS

Combination of Slick panels and narrow glazed aluminum sections gives the door a very special look. We called that door design - 'SlimLine'.

Various glazing types available. Windows height may vary from 5 to 10 cm.

One - piece glazing - up to 3 meters
Polycarbonate sheet- up to 6 meters

▼ see page 2

LED lighting could optionally be installed into Matt glazed panels.
